VENDOR SELECTION

Vendors will be chosen from the applications by a Selection Committee according to these guidelines:

1. **A Complete 2023 Application Submitted:** Including a detailed description of products to be sold and all certifications, permits and licenses. Applications missing proper licensing and permits documentation will not be considered. All permits and licenses must be submitted with the application.

2. **Type of Product:** The desired ratio of vendors is as follows:
 - 50% farmer/producer/nursery
 - 30% processor/commercial
 - 20% as crafterTherefore, farmers/producers/nurseries may get priority over other applicants to maintain the core of this event as a farmer's market. Although no vendor is promised exclusivity, there is sometimes not enough demand to have more than one provider of the particular item(s).

3. **Quantity/ Quality of Product:** All items wish to be sold by the applicant will be reviewed and must be of high quality, safe, of suitable quantity, and an enhancement to the TD Saturday Market.

4. **Where Product is Grown/Produced:** Applications must include a detailed description of where products are grown or produced. **Priority is given to LOCALLY grown, produced, processed and crafted products within 100 miles of Greenville, SC.** The TD Saturday Market Committee reserves the right to make exceptions to this rule based upon quality of product, vendors' prior history with the TD Saturday Market and lack of product availability within 100 miles of Greenville, SC (i.e., fresh coastal seafood).

5. **Specialty Items:** Specialty items will be selected and approved based on consumer needs.

6. **Market Season Availability:** Priority may be given to farmers and processors that commit to the entire season.

7. **Market History:** Number of years a farmer has been with the TD Saturday Market, attendance record, and history of compliance with market rules.

VENDOR CLASSIFICATION

The list below applies to all vendor categories:

1. Vendors whose products or practices place them in more than one category are subject to all the requirements of both categories, **including the higher of two fees. (Crafters and producers that grow/raise 100% of their product are excluded from the higher fee rule.)**
2. **Priority is given to items that are LOCALLY grown, produced, processed and crafted within 100 miles of Greenville, SC.** The TD Saturday Market Committee reserves the right to make exceptions to this rule based upon quality of product, vendor's prior history with the TD Saturday Market and lack of product availability within 100 miles of Greenville, SC (i.e., fresh coastal seafood).
3. All vendors please review Attachment A: SCDA, Requirements for Selling Manufactured or Processed Foods at Farmers Markets.
4. **ALL PRODUCTS** to be sold during 2023 season must be listed on the application to be approved.

Beekeepers, egg farmers, poultry and livestock producers are considered farmers. Farmers that wish to resell products from another farm, please see reseller category below. **Nursery growers please see Attachment B: Nursery Regulations.**

Crafter:

Crafters produce original, unique, high quality, safe, garden/farm/environmentally-related items which bring some **added value** to the TD Saturday Market. All products must be actual work of the crafter and produced within 100 miles of Greenville, SC. **No commercial items, no imported items, no manufactured items and no second hand items shall be resold by crafters.**

Processor and Commercial Vendors:

Processors are vendors that use **locally grown** produce to make their products (such as jellies, jams, salsas, ciders, smoked meats, honey, handmade candies, etc.) This vendor does not operate a commercial business.

Commercial vendors use **locally grown** ingredients in their products. All products must be high quality, safe and an enhancement to the TD Saturday Market. ***Bakeries fall into this category; however the TD Saturday Market can only support a limited amount of bakeries to avoid saturation of this type of product.***

The TD Saturday Market does not accept any vendors that plan on preparing food or serving for consumption on-site. The TD Saturday Market has three sponsors with on-site consumption privileges.

- You must have a Registration Verification Certificate or a DHEC kitchen license in your name. If you are a retail only vendor you must have all necessary permits required by DHEC. You must submit with application and bring certificate(s) to each market.

To be approved, these items must bring some **added value** to the TD Saturday Market (i.e., something that the Market does not have already and/or something that produced lower yields than normal, ex: peaches) and be accepted by the Market Committee.

- All items approved for resale must also be **locally grown** items from within 100 miles of Greenville, SC. The TD Saturday Market Committee reserves the right to make exceptions to this rule based upon quality of product and lack of product availability within 100 miles of Greenville, SC.
- The vendor must submit a letter of permission from the farm of origin listing all items to be resold with their application.
- A "farm of origin" label is displayed with the product.
- Farmers reselling any item will be classified as a reseller and subject to the higher fee.

Organic Products:
